

**Section C**

- 12 Based on your own studies of the human form, design a logo for a sports club and gymnasium called **Fit 4u**. Show how the logo would appear on the club façade, and adapted for use on a sweatshirt and a business card.
- 13 Design the front and back cover of a CD for a band called **East meets West**. Include the title 'Connections' as well as the name of the band and related imagery.
- 14 From your observational studies and photographs of glasses and bottles, design a repeat pattern for a glass manufacturer's showroom. Show how you would adapt your design for use on a carrier bag.
- 15 Design a hat, a bag and a pair of shoes that are inspired by the theme **water**. In your initial research you should study water in different forms.
